

# THE BUGYBOPS: Friends for All Time

Great for siblings, classmates,  
& friends of kids with food allergies

In this sequel to the award-winning children's book, ***The BugaBees: Friends with Food Allergies***, follow the BugyBops and find out how their kind and caring ways help their food allergic peers stay safe, happy and healthy.

From washing hands to reading labels, BugyBops show how a few simple steps can help prevent serious allergic reactions to foods like peanuts, tree nuts, fish, shellfish, milk, soy, eggs, and wheat.

Important concepts related to cross-contamination, Epipens, and the physical signs of an allergic reaction are also introduced to young readers in this fun and fanciful book from the BugaBees series.

Through their kindness and compassion, BugyBops inspire others to learn more about food allergies, and develop fun, meaningful friendships to last a lifetime!

## About the Author

Amy Recob is the author of the award-winning children's series, ***The BugaBees***. Honored with a Mom's Choice Award® for excellence in family-friendly products and a Moonbeam Award for outstanding children's literature, ***The BugaBees*** has also received international praise from physicians, educators, and families of food allergic children. Inspired by Amy's young daughter, ***The BugaBees*** teaches children that the joy of friendship is far sweeter than any food they can, or sometimes can't have. For more information, visit [amyrecob.com](http://amyrecob.com).

## About the Illustrator

64 Colors is a midwest-based artists' collaborative and the visual creative force behind ***The BugaBees*** series. Their work has been featured in books from many notable publishers including Houghton Mifflin Harcourt, Pearson and Scholastic. They are the creators of the highly acclaimed Marshall & Friends® line of toys, products, and collectible art. For more information, visit [64colors.com](http://64colors.com).
